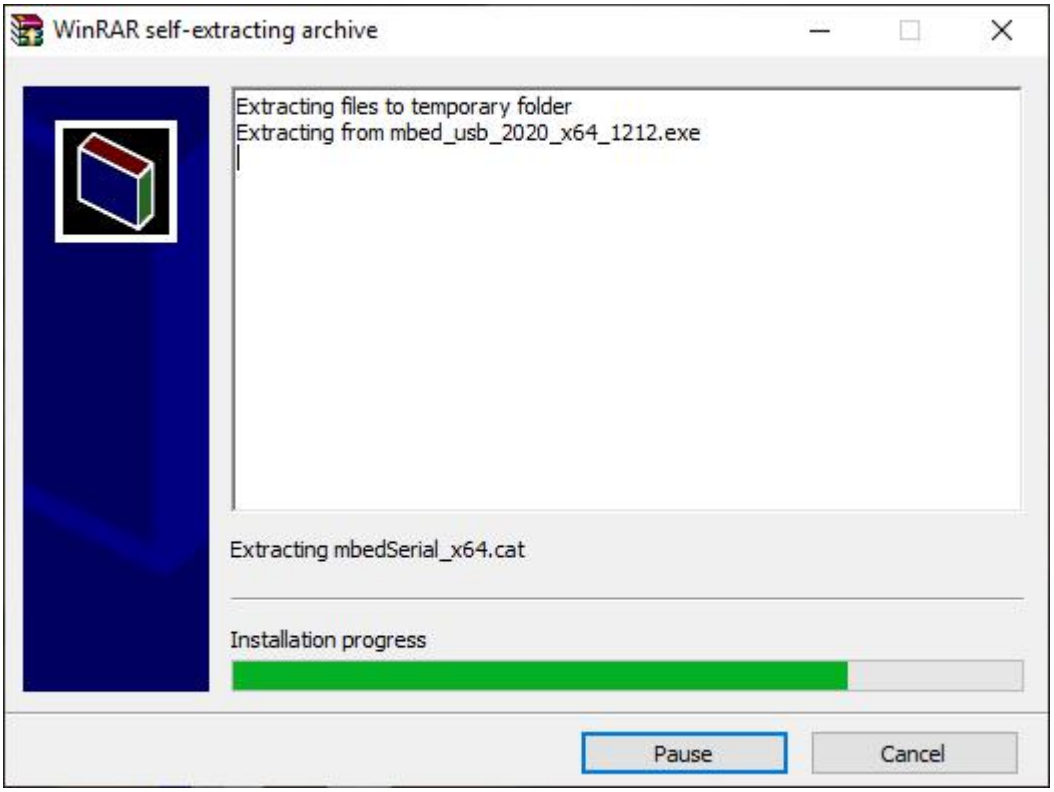
Install Drive of Micro:bit Board

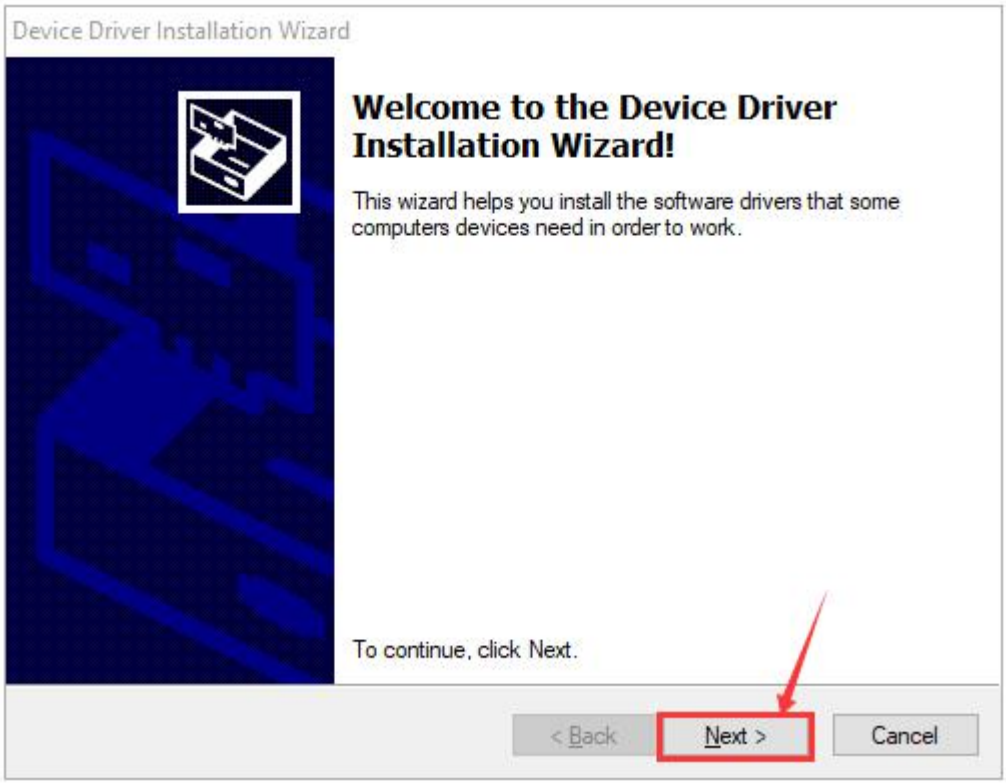
1) First of all, connect the micro:bit to your computer using a USB cable.

mbed_usb_2020_x64_1212.exe

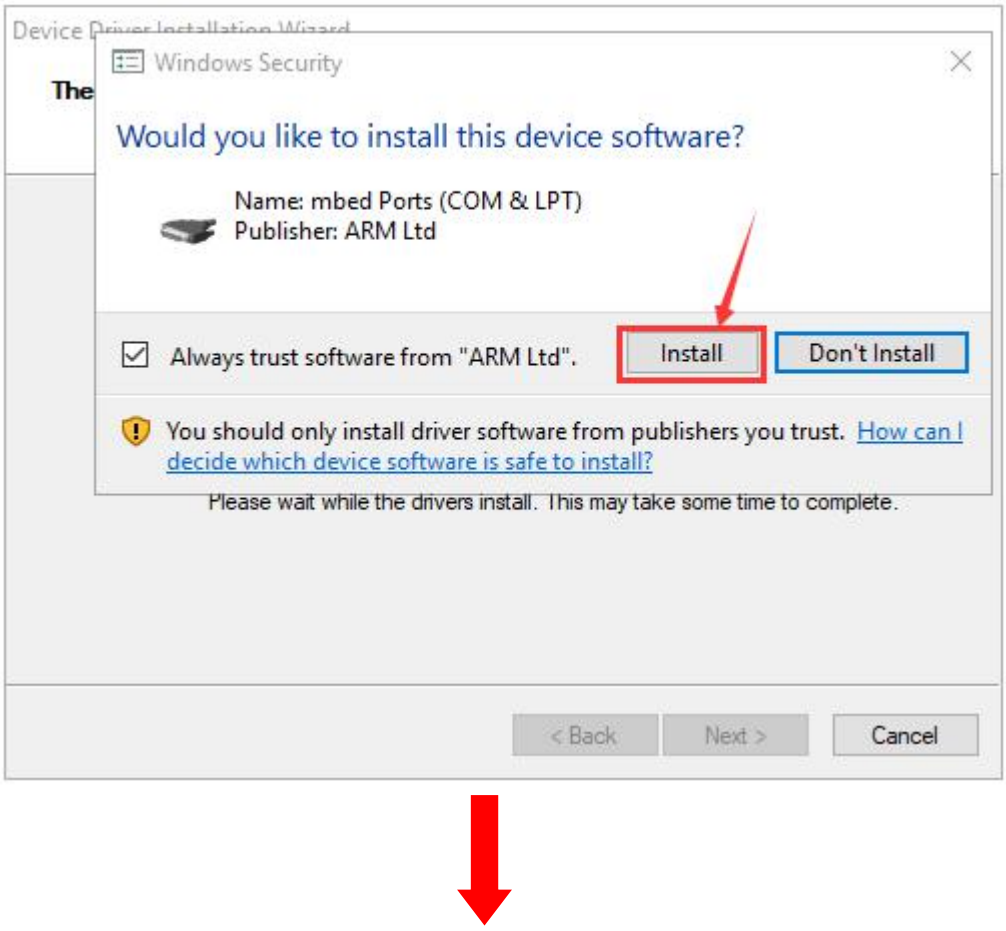
, then double-click to install.

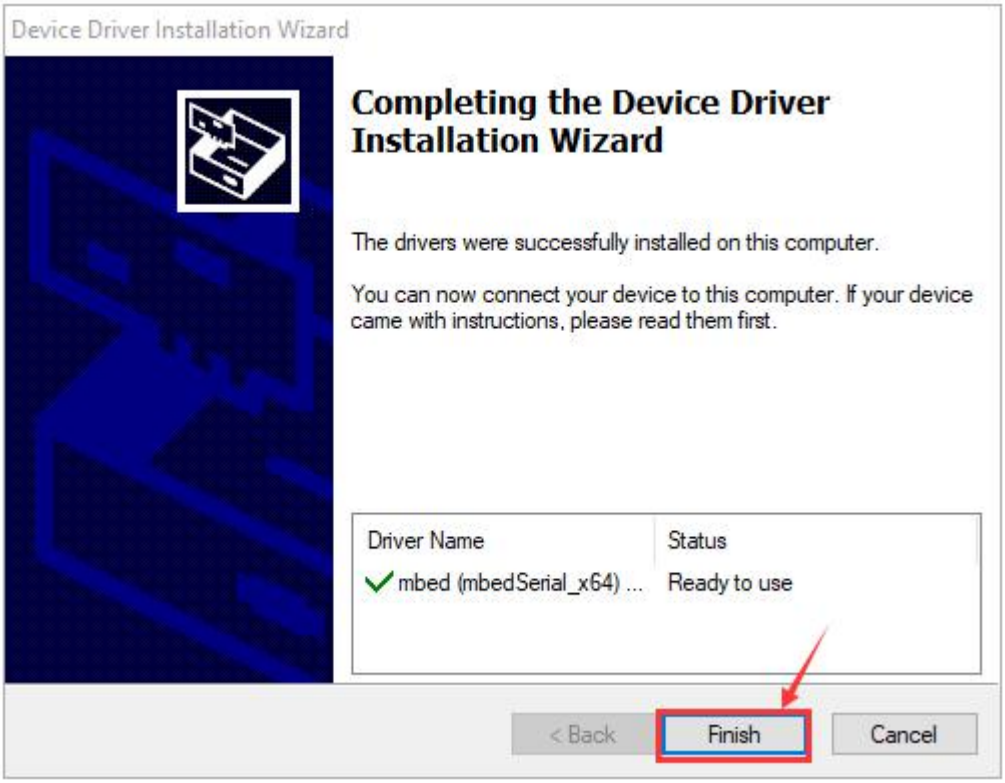


After downloading the driver, then click “Next”



Click “Install”





Tap “Finish”. Then click “Computer” —> “Properties” —> “Device manager”, as shown below.
